Aires T

Design by Ivan Lolli and Mario Memmoli
2013

Table lamp providing diffused light. A three crystal layer lampshade is like an elastic and light fabric made of crystal octagons linked together. The inner crystal layer is clear to increase the light diffusion.

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

Lolli e Memmoli lamps are Made in Italy product and produced entirely in Italy with parts of Italian preferential origin.
