## Ugolino system circular

**Design by Ivan Lolli and Mario Memmoli**  
2004

Suspension lamp providing diffused light. Ring shaped lamp shields the light source with a soft fabric of octagons that creates a sculptural form. Little crystal chains and drops are final pendant.

**Authenticity and holograms** Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

**Lolli e Memmoli lamps are Made in Italy product and produced entirely in Italy with parts of Italian preferential origin.**
