### LOLLI&MEMMOLI: 20 YEARS OF SUBLIME CRYSTAL LIGHTING

2013-05-01

This year, the rush to visit Ivan Lolli's and Mario Memmoli's production showroom during the recent Milan International Furniture Exhibition was overwhelming. The appeal that these gifted architects and their absolutely unique range of Crystal Luminaries evoke is not surprising. Attractive and graceful forms, emerging naturally from arrays of Bohemian and Italian crystals make these products to precious art installations that offer sublime illumination. All Lolli & Memmoli productions are known for their superior quality. They are of course manufactured in Italy to the highest standards.

This year Lolli & Memmoli successfully presented two new sets of Crystal Luminaries: the Viet and Aires ranges, which are illustrated here.
