Aires

Design by Ivan Lolli and Mario Memmoli
2011

Circular suspension lamp providing diffused light. Crystals arranged in a continuous elastic surface create a soft arched profile lamp. Inner crystal layer is clear to increase the light diffusion.

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand. Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft. Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

Lolli e Memmoli lamps are Made in Italy product and produced entirely in Italy with parts of Italian preferential origin.
