Phebo V.G.

Design by Ivan Lolli and Mario Memmoli
2010

Phebo circular special numbered edition in a very special multicolor appearance, inspired by the intuitions of impressionist painting, a tribute to the artistic universe of Vincent Van Gogh.

Model reproduced in six unique pieces.

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

Lolli e Memmoli lamps are Made in Italy product and produced entirely in Italy with parts of Italian preferential origin.

Registered Ornamental Design n° MI2013O000061

Phebo V.V.

Design by Ivan Lolli and Mario Memmoli
2010

Phebo square special numbered edition puts on an unusual Op art-inspired look as a homage to artist Victor Vasarely. The peculiar alternation of black and white colors plays with the piece's geometric contours and generates an almost plastic aspect.

Model reproduced in six unique pieces.

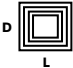

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

Phebo A.K.

Design by Ivan Lolli and Mario Memmoli
2010

Phebo square special numbered edition inspired by a work by artist Anish Kapoor. The core of the piece consists of a composition of crystal carrés in pale gold, carefully placed in order to create a "hollow" optical effect that is visible from the black external volume and that unexpectedly originates beautiful golden reflections. Model reproduced in six unique pieces.

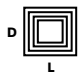

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

Phebo J.H.

Design by Ivan Lolli and Mario Memmoli
2010

Phebo square special numbered edition inspired by a work by American artist Jenny Holzer. The black crystals are geometrically outlined by a strong emerald green light which emphasizes their shape and is peculiarly refracted. Model reproduced in six unique pieces.

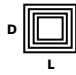

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.

Each lamp is provided with a signed metal badge on the structure proving its authenticity. Each lamp is identified by a numbered hologram put on its certificate and its structure.

in the picture Phebo D.H.

Phebo D.H.

Design by Ivan Lolli and Mario Memmoli
2010

Phebo circular special numbered edition interprets the works of Damien Hirst. On each layer of crystal a red trace of an electrocardiogram is drawn as a representation of four emotional states of human beings. Model reproduced in six unique pieces.

Authenticity and holograms Each lamp Lolli e Memmoli is a unique piece and made by hand.

Each lamp is however submitted to a strict quality control, which grants a perfect integrity and functionality. Any asymmetries are considered inherent feature of the product, expression of its unique character and craft.
