LOLLI e MEMMOLI - 2011 Collection

LOLLI e MEMMOLI, established in 1993 by architects Ivan Lolli and Mario Memmoli released Aires, their new lighting collection at the Milan Fair.

AIRES is a new collection of chandeliers with a fresh and airy transparency. In shape, AIRES takes up the archetype of the lampshade where, instead of fabric, there is a soft mesh of crystal linked through a complex vertical pattern.

Here you can see some of LOLLI e MEMMOLI's beautiful products from the new collection...
