A home with a story to tell

Orange chairs "La Marie" by Starck for **Kartell**, crystal chandelier "Vladimiro" by Lollo & Memmoli.

In the center a disappearing sliding door "Essential" by **Le Porte di Scigno**

"THE ITALIAN WAY"

This blog is about interior design and art and I will present an Italian version of them, with new trends, timeless decor, iconic pieces, design ideas. At times I will be just musing about "a certain Italian way of doing things". Follow me on this virtual journey to my country.
