TAUT from **Lolli e Memmoli** is the reinterpretation with contemporary style of an icon of Italian design: Falkland by Bruno Munari.

TAUT Pendant Lamp by Lolli e Memmoli

Apply the Munari study of elastic tensions, in order to meet the same feeling with the crystal chandelier is a real challenge. Lolli e Memmoli proposes a shape rhythmic and irregular expressed on TAUT design.

Similar to a tensile structure, TAUT is a sequence of curves always different. In which the crystal shape, it tends spontaneously suspended between vertical and horizontal forces.
